SPICY COMPANION ON A WINTER'S NIGHT

Vana Tallinn Winter Spice

PRODUCT

Vana Tallinn Winter Spice is a fresh member of the Vana Tallinn product range from the end of 2012. Liviko's liqueur makers drew inspiration from crisp Nordic nights and combined the legendary Vana Tallinn recipe with the best winter spices. The taste of the classical Vana Tallinn liqueur is enriched with spices that bring warmth into a winter's night - cinnamon, cardamom, anise and nutmeg. Vana Tallinn Winter Spice is a seasonal product, available from autumn to spring.
