

THE MOST DIGNIFI'D TIPPLE IN THE REALM

Vana Tallinn Eesti 100 has been releas'd to celebrate five-score years of the Republic of Estonia. Made to a recipe bekownst only to Tallinn Liqueur and Vodka Fact'ry, 't enwheels exotic spices from the south and precious rum from the Jamaican isles.

Spices from far-off lands and genuine rum from the Jamaican isles lendeth the drink its unique velvety gust. The unexpect'd bitt'r edge and exotic aroma art said to come from the bark of the cinnamon tree. Prepar'd largely by hand, as in days of yore, the liqu'r doth take as long to make as 't taketh the moon to turn 'round the earth. Thee shall find only authentic ingredients in our tippel!

Poureth into a cut-glass tumbl'r o'er slices of lemon and crush'd ice.

500 ml
40%
