VANA TALLINN MARZIPAN CREAM

CREAMY ALLURE

Vana Tallinn Marzipan Cream is a cream liqueur where the unique taste of legendary Vana Tallinn liqueur meets the natural, creamy, and refreshing taste of melt-in-your-mouth marzipan. Crafted for the self-confident, lively woman who's not afraid of new experiences.

PACKAGING

Vana Tallinn Marzipan Cream's bottle is inspired by modern romance. The mature almond tree fruits and delightful almond flowers reflect the product's gentle, feminine essence.

TASTE & AROMA

The aroma of Vana Tallinn Marzipan Cream liqueur is mellow and sweet and one can sense the taste of mouthwatering almonds. The taste of spicy Jamaica rum combines perfectly with the mild cream and slightly bitter marzipan. The experience is rounded out by the scent of vanilla and fresh citrus.

SERVING

Vana Tallinn Marzipan Cream is best enjoyed chilled with crushed ice. It's also suitable for cocktails and flavoring different desserts.
