VANA TALLINN Ice Cream

A Fresh Look at Cream Liqueur

Vana Tallinn Ice Cream is a stylish cream liqueur. The taste is an icy harmony of the legendary Vana Tallinn, fresh cream and playful ice cream. The result is something brand-new. Ice cream liqueur. Cheerfully frisky, silky and spicy. A unique character in the Vana Tallinn product family. For your pleasure, of course.

The Package

Vana Tallinn Ice Cream is inspired by the forever enchanting European café culture. It is about meeting friends, about uplifting emotions and tasty thoughts. The shape of the bottle is the legendary anthem to the skyline of Tallinn with its historic towers.

Taste & Aroma

Spicy Vana Tallinn, rum and citrus are having a very good time with cream and vanilla. Best friends from the start. Vana Tallinn Ice Cream is very nicely balanced, sweet cream can be detected in the flavour and the nuances of rum and spices can be sensed in the aroma.

Serving

Vana Tallinn Ice Cream is best served with lots of ice. It can also be used in cocktails, and the liqueur is also perfect for adding flavour to various desserts.
